Dear John and Chris:

Enclosed is a revised format for "THE REN & STIMPY SHOW." As discussed, Nickelodeon will air the show as a full half hour. Please review the revised format and also the influence that this format may have on your delivery schedule. Upon reviewing your production schedule, I noted that Episodes (5A,5B) and Episodes (6A,6B), if delivered as currently scheduled 9/09-9/16, will not meet Nickelodeon's programming schedule of 9/08-9/16. As you have four weeks scheduled for post production, hopefully you will be able to accommodate the scheduled airdates.

Looking forward to speaking with you.

Regards,

Mary Harrington
